*By signing this form, you agree to Skip-a-Payment on your loan(s). This will advance the due date by one month. This will not stop interest from accruing on your loan(s). All requests subject to approval. All loans must be current and all savings and checking accounts must be in good standing. Loans require a minimum of 6 months payment history. Loans secured by real estate, mobile homes or loans with longer than monthly pay periods are not eligible. Line of credit loans are not eligible.

Attention: If you purchased Member's Choice Guaranteed Asset Protection (GAP insurance) when you financed your loan with NHFCU, be advised that the amount of your GAP claim, should you need to use it, could be affected if you skip more than two payments over the term of your contract. Please refer to your GAP contract for more details.
